FOR IMMEDIATE RELEASE

**May 28, 2020**

To ensure the most current information and be informed about court operations and court services, court users should always consult the Butte County Superior Court website at [www.buttecourt.ca.gov](http://www.buttecourt.ca.gov).

In response to the pandemic, the Butte County Superior Court began hearing cases on March 30, 2020, with restrictions in place to protect the parties, staff, attorneys, and the public. The Court has continued to provide a range of services and calendars during the pandemic. Jury trials, however, have not been held in a further effort to protect the public and all court users. The Presiding Judge continues to assess, on a daily basis, whether and when an increase in access to the courthouse and an increase in court services will be safe for court users, staff, and the public.
